BETTER & SAFER THAN NEEM OIL

AGRO PRO X™

AGRO XP™

AgroXP™/ AgroProX™ is a powerful bio-pesticide that uses a blend of natural, food-grade ingredients to effectively eliminate, protect, and repel a variety of insects. It is effective against all stages of insects, including adults, larvae, and eggs, and can be used on a wide range of plants, including vegetables, herbs, spices, fruits, and ornamentals. **AgroXP™/ AgroProX™** promotes healthy, disease-free plant growth and higher yields by controlling and cleaning infestations.

300+
successful trials
conducted since 2010
